

After ten years in the groove, GreazeFest makes a move!

GreazeFest Kustom Kulture Festival

Sunday August 1

New Venue: Rocklea Showground, Rocklea

After ten years of growing into one of Queensland's must-do events, the GreazeFest Kustom Kulture Festival is moving to a new home, at the spacious Rocklea Showground.

The site is located on the corner of Ipswich Road Service Road and Goburra Street, Rocklea. The new venue will create a bigger and better festival with more space for patrons, extra entertainment and attractions, plus handy public parking.

Hot Rod Show and More

The 11th annual GreazeFest will feature a spectacular Hot Rod Show with a sprawling display of candy coloured dream machines, hot rods, classics and customs, daily drivers, lead sleds and barley twist bicycles.

In addition to the Hot Rods, the multi-faceted event features a fashion parade, two live music stages, an art exhibition and over sixty market stalls. A variety of healthy food vendors will be at the event along with comfortable rest areas for eating and relaxing.

Activities for the kids include amusement rides, temporary tattoos, model cars, and clothing for cool kids. One lucky child will be awarded a 'King Cycle' trophy for the best bicycle on show.

Fashion Parade

An added feature this year will be a stunning retro fashion parade. The parade will include local fashion designers, labels and original vintage clothing and accessories.

Live Entertainment

The live entertainment on Sunday features both a licensed stage and an alcohol-free stage, catering for music fans of all ages. There is a huge line up of Australian rockabilly bands and DJs performing throughout the day.

Earlybird Ticket Savings

Tickets to GreazeFest are on sale now at www.greazefest.com.au. Earlybird tickets to the Hot Rod Show are \$20 in advance or \$25 at the gate. Families are welcome and under-15s are free.
